OFFICIAL SAMPLE BALLOT - September 9, 2002

INSTRUCTIONS TO CHAIRMEN, COUNTY ELECTION COMMISSIONERS (DO NOT PRINT ON BALLOT)

This ballot contains the names of all candidates for the offices of U. S. Senate, U.S. House of Representatives, Supreme Court Judge, Court of Appeals Judge, Chancery Court Judge, and Circuit Court Judge. It also contains one proposed constitutional amendment, which is to appear on your official ballot.

Your ballot should also include the names of any candidates for County Court Judge. Some counties will also be electing candidates for the Office of County School Board Member for Supervisor's District 5; or, electing candidates in single member board of education districts in accordance with Miss. Code Ann. Section 37-5-1 and 37-5-7 (1972). Some counties may also be electing school board trustees of consolidated school districts for the full term.

Order of ballot. The order in which offices should appear on the ballot is as follows:

(1) U. S. Senate, (2) U. S. House of Representatives (3) Regular School Board and School Board Trustee elections (4) Nonpartisan Judicial Elections, including Special Nonpartisan Judicial Elections (5) Constitutional Amendments (6) Special Elections (other than special nonpartisan judicial elections).

Special Elections

One position for Court of Appeals Judge is a Special Election: Court of Appeals, District 3, Position 2. This position should be listed as "Special Election for Court of Appeals Judge" under the heading of "Nonpartisan Judicial Elections."

All other Special Elections, including the two Special Elections for District Attorney, District 14, and District 17, should appear at the end of the ballot following the constitutional amendment.

Precinct Names: The names of precincts for circuit and chancery court districts and subdistricts which appear on this sample ballot are those precincts which were enacted in 1994 and which appear in the Mississippi Code (See Miss. Code Ann. § 9-5-5 et seq. and § 9-7-5 et seq. (1972)).

If your county has changed the geographic boundaries of precincts or the names of precincts referred to in the above statutes, then you must ensure proper ballots are available to voters in the geographic area represented in the original legislation.

Regarding Nonpartisan Judicial Elections, Miss. Code Ann. § 23-15-978 (1972) states that "The names of candidates for judicial office which appear on the ballot at the general election shall be grouped together on a separate portion of the ballot, clearly identified as nonpartisan judicial elections." Miss. Code Ann. § 23-15-979 (1972) states "The names of all candidates for judicial office shall be listed in alphabetical order on any ballot and no reference to political party affiliation shall appear on any ballot with respect to any nonpartisan judicial office or candidate." Miss. Code Ann. § 23-15-980 (1972) requires "The name of an unopposed candidate for judicial office shall be placed on the general election ballot."

Miss. Code Ann. § 23-15-367 (1972) reads as follows:

"Except as otherwise provided by § 23-15-974 through 23-15-985, the arrangement of the names of the candidates, and the order in which the titles of the various offices shall be printed, and the size, print and quality of paper of the official ballot is left to the discretion of the officer charged with printing the official ballot; but the arrangement need not be uniform. It is the duty of the Secretary of State, with the approval of the Governor, to furnish the designated commissioner of each county a sample of the official, not less than fifty-five (55) days prior to the election, the general form of which shall be followed as nearly as practicable..."
